*Fifth Sunday in
Lent*

“Very truly, I tell you, unless a grain of wheat falls into the earth and dies, it remains just a single grain; but if it dies, it bears much fruit.”

JOHN 12:24

Discipleship Snippet

Jesus speaks about his coming death and outlines what it means to truly follow him. Like Jesus, we are called to put aside self-interest for the sake of the gospel and serve God and neighbor willingly.

WHY CHURCH?

A Discussion Series for Congregations

LENT 2024

A Production of the Congregational Ministries Committee

This season invites us to slow down and reflect both as individuals and as congregations. This series will help members to reflect on why the world needs our church today and into the future. Join us on **Tuesdays at 6pm!**

SOLAR PANELS FOR UKRAINE

The Rotary Club of Lander, Wyoming is converting solar panels to phone chargers for the people of Ukraine, where the power grid has been extensively damaged and cell phones are vital to schools, hospitals, and defense units in resistance to the Russian invasion. The cost to convert and ship one small solar panel to charge four cell phones is approximately \$150. 100% of our donations will be used to purchase, convert, and ship solar panel phone chargers to Ukraine. Before the panels are shipped, we'll have an opportunity to write messages of support and encouragement to the people of Ukraine on the back of the panels.

Ways to donate:

- Give a check to the church with the memo line "Ukraine"
- Mail a check with the memo line "Ukraine" to:
